

Each pack, troop and unit is to find a hero. A hero is someone who served/serves this community or country in an ordinary way doing extraordinary tasks. Examples are military, police, fire, or community servant, someone who saved someone's life.

Explore your hero's life. Find out if scouting had a role in shaping your hero. Each unit will prepare a display, make posters, and honor their hero at the dinner.

We will be introducing and honoring all of the scouting heroes. You can nominate your hero for special honors. Get involved in history.

This project will help with citizenship badges, unit and pack awards.

Contact Julie Wotasik 944-1247 or Bill Norris 272-5995 for more information. Future information will be available at www.avamericanheroes.org.
